

## COOPERATING TECHNICAL PARTNER MEMORANDUM OF AGREEMENT

THIS AGREEMENT, is made and entered into this 30th day of Sept., 2001, by and between the County of Placer, a political subdivision of the State of California, ("County") and the Federal Emergency Management Agency (FEMA).

### WITNESSETH:

**WHEREAS**, the National Flood Insurance Program (NFIP) established by the National Flood Insurance Act of 1968 has several purposes, the most significant being:

- To better indemnify individuals from losses through the availability of flood insurance;
- To reduce future flood damages through community floodplain management regulations;
- To reduce costs for disaster assistance and flood control, and

**WHEREAS**, a critical component of this program is the identification and mapping of the nation's floodplains to create a broad-based awareness of the flood hazard and to provide the data necessary for community floodplain management programs and to actuarially rate flood insurance, and

**WHEREAS**, the Federal Emergency Management Agency (FEMA) administers the National Flood Insurance Program (NFIP) and is authorized by Section 1360 of the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4101), to establish and update flood-risk zone data in floodplain areas. Further, in the identification of flood-prone areas, FEMA is authorized to consult with, receive information from, and enter into agreements or other arrangements with the head of any State, regional, or local agency in order to identify these floodplain areas, and

**WHEREAS**, FEMA encourages strong Federal, State, regional and local partnerships for the purposes of reducing flood losses and disaster assistance; and FEMA and its State, regional, and local partners have determined that it is advantageous to encourage and formalize greater cooperation in the flood hazard identification and mapping processes; and many communities and the agencies that serve them have developed considerable technical capabilities and resources that provide the opportunity to improve and expand the collection, development, and evaluation of flood hazard data; and

**WHEREAS**, Placer County participates in the NFIP, and Placer County has been deemed by FEMA to be in good standing in the NFIP; and

**WHEREAS**, Placer County has expressed a desire to perform certain functions in the flood hazard identification process and has provided evidence

that it has sufficient technical capability and will dedicate the resources necessary to perform those functions.

**NOW THEREFORE**, it is mutually agreed that the parties enter into this agreement to work together to create and maintain accurate, up-to-date flood hazard data for Placer County subject to the terms and conditions recited below:

### **1. CONSULTATIONS**

The parties shall collaborate on flood hazard identification activities and shall consult with each other to fully integrate each other's contributions into flood hazard identification efforts. Questions regarding the execution of the agreement will be resolved by an implementation committee consisting of a FEMA representative and Placer County. If this committee is unable to resolve technical issues the resolution may be accomplished through alternative dispute resolution procedures.

### **2. EVALUATION AND REPORTING**

The parties shall annually review the partnership created by this agreement to determine and document the activities undertaken to maintain accurate flood hazard data, and to revise the agreement as necessary.

### **3. RESOURCE COMMITMENT**

The parties agree to commit the appropriate staff time, technical, and available financial resources sufficient to coordinate effectively with all entities impacted by flood hazard identification efforts to implement this agreement.

### **4. STANDARDS**

Unless otherwise indicated, all flood hazard identification activities will be accomplished according to FEMA's Guidelines and Specifications for Study Contractors (FEMA 37) dated 1/95 and FEMA's Guidelines and Specifications for Flood Map Production Coordination Contractors dated 2/17/99, and all subsequent revision to these documents.

### **5. SPECIFIC INITIATIVES**

When specific initiatives or projects are to be performed, they will be forwarded through and negotiated by the Placer County, Department of Public Works and shall be attached as negotiated Task items with their attending Mapping Activity Statement (MAS). For this Memorandum of Agreement to go into effect, no Task items are required.

**6. TERM**

The respective duties, responsibilities and commitments of the parties in this agreement shall begin on the date this Agreement is signed by the parties and may be periodically renewed, revised, or terminated at the option of any of the parties. The parties agree that a 60-day notice shall be given prior to the termination of this agreement.

**IN WITNESS WHEREOF**, the parties have executed this Agreement on the date and year first above written.
